RICHMOND. 3121

Dear John,

Further to our conversation of today's date, I now confirm with you this Tender for Odessa Promotions forthcoming Pop Festival to be held at Diggers Rest on the 30th and 31st of January and 1st of February.

The Tender is now 15% of gross turnover by audit statement or \$2000.00 whichever figure may result as the greater. The \$2000.00 would be deposited with you one week prior to the start of the Festival.

I understand that the conditions of our Tender are as follows:

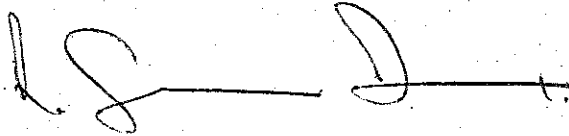

1. Should for any reason my Company suffer heavy financial losses, for example, in the event of heavy rain, or for any other reason, the terms of my original Tender dated the 22nd of December would be reverted to and the basic Tender Fee would then be \$1000.00.
2. My Company is to have complete and sole rights for all foods, soft drinks, ice cream, confectionery, cigarettes, etc., over the full period of time that patrons attend. No other person or organization will at any time, under any circumstances be allowed to sell those products in which my Company is interested.
3. That Odessa Promotions will supply twenty four hour security service.
4. Water and electricity will be supplied to our catering sites.

/2...

Should the terms of my Tender be acceptable to you, I would appreciate receiving your confirmation of this at your earliest convenience.

I assure you of our best attention.

Yours sincerely,
